### STEINHOFF INTERNATIONAL HOLDINGS PROPRIETARY LIMITED S155 PROJECTED FINANCIAL STATEMENTS SIGNIFICANT ASSUMPTIONS MADE IN PREPARATION OF THESE PROJECTED FINANCIAL STATEMENTS

#### 1. Litigation settlement proposal

On 27 July 2020, Steinhoff International Holdings N.V., the ultimate holding company, and SIHPL, the former ultimate holding company, announced the terms of a proposed settlement to conclude the majority of the ongoing and disputed legal claims and pending litigation proceedings arising from the legacy accounting issues first announced in December 2017. A provision of R10.5 billion was raised as at 30 September 2020 for the Litigation Settlement Proposal. An update to the Litigation Settlement Proposal was issued on 9 October 2020, 6 November 2020 and 14 January 2021 respectively. On 15 February 2021 the Group initiated the legal processes required to implement this global settlement.

In terms of the litigation settlement proposal, SIHPL is expected to pay a portion in cash to the amount of c.R4.843 billion and a portion in Pepkor Africa shares to the amount of R5.645 billion. These amounts are subject to change based on the ZAR:EUR exchange rate and Pepkor Africa share price. The exchange rate used in the determination of these amounts was R19.46 and Pepkor Africa share price R15.00.

For purposes of the projected financial statements, it has been assumed that the settlement effective date will be 30 June 2021 at the above mentioned rates and amounts.

The cash settlement amount will be funded via the repayment of intercompany loans receivable from SAH and SINVH.

The costs pertaining to key indemnity obligations, assumed by SIHPL and Steinhoff N.V., pursuant to the Steinhoff Settlement Support Agreement ("SSSA"), as contained in the Amended s155 Proposal, have not been budgeted for in the forecast period, as the outcome is based on uncertain future events and cannot be measured reliably.

#### 2. Steenbok Newco 2A Limited loan receivable

SIHPL has a euro denominated loan receivable from Steenbok Newco 2A Limited to the amount of R25.3 billion (capital and accrued interest). The capital amount has however been impaired and base on IFRS 15, no interest should be recognised for accounting purposes. Therefore, no interest has been recognised in the financial statements of SIHPL and the capital amount has been impaired.

#### 3. Acquisition of Titan loan receivable by SIHPL

Subsequent to the aborted Shoprite transaction following the events of December 2017, a settlement was concluded in early 2018, pursuant to which Titan owed SFHG an amount of €200 million plus interest ("Titan Loan"). In accordance with the 2019 financial restructuring arrangements, the Titan Loan was transferred from SFHG to Newco 2A.

Immediately prior to, or immediately following, the purchase of the Titan Loan, the Titan Loan will be amended to include the following terms:

- · R3.4 billion principal outstanding;
- coupon payable of 5.04% PIK per annum
- · repayment date of 5 years plus one day from the Settlement Effective Date and voluntarily repayable without penalty at any time; and
- · secured in favour of SIHPL on terms satisfactory to SIHPL.

Conditional upon and subject to the occurrence of the Settlement Effective Date, SIHPL will acquire the Titan Loan from Newco 2A for an amount to be determined subject to an agreed mechanism linked to the prevailing EUR-ZAR exchange rate upon Settlement Effective Date. Payment of the consideration will be deferred resulting in an amount owed by SIHPL to Newco 2A ("Newco 2A Loan Note"), including the following terms:

- zero coupon;
- · repayment date: final maturity date of 6 months after the date of the Titan Loan final maturity;
- quarterly cash sweep at SIHPL and across the South African sub-group;
- first ranking security over SIHPL's assets, subject to arrangements in respect of Non-Qualifying Claims finally determined or agreed by SIHPL; and
- limited recourse to the available assets of SIHPL and a solvent winding up of SIHPL

For purposes of the projected financial statements, it has been assumed that the settlement will occur in June 2021 and therefore the loans have been recognised as at 31 June 2021.

#### 4. Steinhoff N.V. loan note

In consideration of the settlement by Steinhoff N.V. of SIHPL market purchase claims, SIHPL will issue a loan Note to Steinhoff N.V. ("Steinhoff N.V. Loan Note") of not more than €100 million, including the following terms:

- zero coupon;
- repayment date: final maturity date of 6 months after the date of the Titan Loan final maturity;
- · quarterly cash sweep at SIHPL and across the South African sub-group;
- · second ranking security over SIHPL assets, subject to arrangements in respect of Non-Qualifying Claims finally determined or agreed by SIHPL; and
- · limited recourse to the available assets of SIHPL.

For purposes of the projected financial statements, it has been assumed that the settlement will occur in March 2021 and therefore the Steinhoff N.V. loan note has been recognised as at 31 March 2021.

#### 5. Advisory fees

Annual advisor fees of R95 million has been budgeted for September 2021, R22 million for the year ending 30 September 2022 with an annual 6.9% increase for the following two years.

### STEINHOFF INTERNATIONAL HOLDINGS PROPRIETARY LIMITED S155 PROJECTED FINANCIAL STATEMENTS SIGNIFICANT ASSUMPTIONS MADE IN PREPARATION OF THESE PROJECTED FINANCIAL STATEMENTS

#### 6. Extension of debt maturity

As part of project Universe, the SIHPL creditors will be asked to an extension of the payment date under the SIHPL CPU date which is approximately 5 years, 6 months and 1 day from the implementation of the project Universe settlement. In exchange for this extension, SIHPL will grant third-ranking security over all of its assets (which are primarily intercompany receivables in South Africa).

#### 7. Margin lenders non-qualifying claims settlement

- €61 million will be settled 50% in cash and 50% in Pepkor Africa shares at R15 basis per share on the same effective date as the Global Settlement. This has been included in the legal settlement provision of R10.5 billion as discussed in note 1 above.
- Settlement to be funded by SIHPL utilising the loan receivable from SAH who will make payment on SIHPL's behalf, resulting in a reduction of SAH loan payable to SIHPL.
- This settlement value will be cash neutral for SIHPL as it will reduce the funds available to pay against the SIHPL CPU. The payment represents an additional profit or loss impact as it is not included in the current ligation provision.
- · The Steinhoff N.V. loan note will not be adjusted.
- Adjustments being made to the existing funds flow balances, with the result that the balance of the SINVH intercompany that would otherwise have been
  owing after payment of the SIHPL contractual claims following the settlement effective date will reduce by the ZAR equivalent of the additional settlement
  consideration.
